Estuaries and Coasts is an international journal  
 publishing original research papers and  
 reviews on estuarine and coastal  
 ecosystems.

Estuaries and Coasts is a peer-reviewed  
 journal. All manuscripts are reviewed by  
 at least two independent reviewers.

Estuaries and Coasts is a member of the  
 Estuarine Research Federation.

Estuaries and Coasts is a member of the  
 Estuarine Research Federation.
